

Letter from Principal's desk –

Date – 06/03/2024

Good morning dear Students.

I would like to extend a sincere welcome to all for the New Academic Year 2024-25.

I hope you are all doing well and are ready to embark on a new academic journey in 2024-25. Today, I am here to welcome all our students to the new academic session.

We have a strong focus on academic excellence, and we strive to create a safe and inspiring learning environment for all. We are committed to providing an excellent education to all of you during this session.

Education is not only about acquiring knowledge and skills, but it also prepares us for life. The lessons you learn in the classroom will serve you well in the future, whether you go on with higher education or enter the workforce.

As you begin this new academic session, I encourage you to approach your studies with a growth mindset. This means that you believe that your abilities can be developed through hard work and perseverance.

To support your academic success, we have a set of an outstanding faculties, who are dedicated to deliver you the best education facilities. One of my top priorities as your Principal is to ensure that our students receive a high-quality holistic education. This means providing them with engaging and challenging learning experiences, as well as the support they need to succeed. To achieve this, we will be working closely with our faculty and staff to implement effective teaching strategies and support programs.

In addition to academic success, we also place a strong emphasis on building character. Our school values of respect, responsibility, and excellence serve as a guide for how we interact with others and approach our work. I encourage you to embody these values in your daily lives and to be good role models for your peers.

Participating in extracurricular activities is a great way to meet new friends, develop new skills, and have fun.

I would like to conclude my address with these words: 'A bright future is nothing more than a combination of determination, optimism, and self-assurance.'

All the best!

Principal

Bhadrachalam Public School & Jr. College
