

BHADRACHALAM PUBLIC SCHOOL & Jr COLLEGE

Date – 30/03/2023

Dear Students & Parents,
Greetings from BPS!

On behalf of the staff of Bhadrachalam Public School, I am happy to welcome you to the academic year 2023-24. We are looking forward to a productive partnership with you to ensure our children can achieve their highest potential. For grades PP-II to IX the new academic year will start from 3rd of April'2023. School time table & schedule will be posted by class teachers.

We welcome all of our students to a close-knit and prideful BPS family that will take them to the next level in their education.

The faculties at BPS are very excited to support in accomplishing all our students' academic goals. We have amazing & the best teachers at BPS who will provide everything for our students', need to grow socially and academically

This year, I encourage all our students & parents to rally around the theme of **"Excellence is the Expectation"**. To show excellence means that one possesses qualities of high degree. Every one of you already holds qualities of excellence. Excellence should be visible every day in the classroom, as well through co-curricular & extracurricular activities. You will determine the degree to which the expectation of excellence is achieved through all of your endeavours. Through your commitment to excellence and your education, you will quickly see that the sky is the limit.

To all of our proud parents, I invite you to model and partner with us throughout the school year as we instil excellence into our students. Research shows that students will have the greatest possibility for success if support structures are in place at home.

We recognize that to be successful in school, our children need support from both home and school. We know a strong partnership with you will make a significant difference in your child's education. As partners, we share the responsibility for our children's success and want you to know that we will do our very best to carry out our responsibilities.

Our main task for this year is, **"Promoting Excellence Through Determination and Hard work"**.

We are happy to inform you about the significant success in the academic excellence. This came because of numerous inventions, assistance, teamwork and diligence by the staff. It is hoped that this standard will not only be maintained but improved upon, as we promote and celebrate excellence through determination and hard work.

We have planned to introduce more interesting and organised teaching pedagogies to ensure best quality education.

We have planned our academic curriculum with interesting Co-Curricular & extracurricular Activities.

Let's make this school year your best year ever as a student & all stakeholders.

Sincerely

Principal & Administrator
